**To minimize stress, refrain from physically handling the birds. Only score birds that can be assessed in all three body regions (neck, back and rump).*

SCORE 0

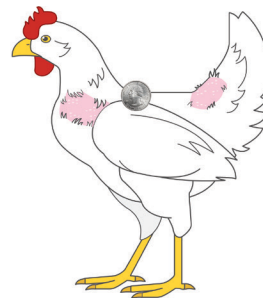

Intact feather cover, little to no wear, single feathers may be missing, no bald patches.

SCORE 1

\leq (SMALLER THAN/EQUAL TO)

Damaged feathers (worn/deformed) or visible bald patches that are smaller than or equal to a quarter.

SCORE 2

$>$ (LARGER THAN)

At least one visible bald patch that is larger than a quarter.
